

WPS - April 2017 - Colour Wheel Competition

Hand in date - 18th April

Brief - To create an image using the colour wheel for inspiration and showing an understanding of basic colour wheel combinations. Each image must have both a title in the usual way, and also indicate the colour wheel harmony displayed

ie Complementary
Analogous
Triadic
Split Complementary

eg orange boat on a blue sea
"A Splash of colour - Complementary"

The judge will be asked to take into account all the usual considerations of exposure, composition, cropping etc and also the "colour wheel" aspect of the image ie has the correct harmony on the colour wheel been described.

Attached is a separate sheet on which I have included the Colour Wheel for you to refer to, together also with examples of the 4 Harmony combinations I have mentioned. While at first the topic may seem confusing, it really isn't as complicated as it sounds. Do have a go, and as always just let me know if you have any queries about what is required
